OPTION YEAR DETERMINATION

Reference EFARS 36.601-3-90(I), Limitation of Use of Indefinite Delivery-Type Architect-Engineer Contracts.

The four requirements as stated in the above reference have been met. Those Requirements include (1) the option was published in the CBD original announcement, (2) the scope of work under the option(s) is specified under the basic contract, (3) the prices for services under the option(s) are specified in the basic contract and (4) there is a reasonable anticipation of the need for similar services beyond the basic contract period.

WILLIAM C. RYALS
Contracting Officer
